HEALTH

The camp has an infirmary on campus with a nurse on duty 24 hours a day. Three professionally staffed hospitals are available within five minutes of campus. We also have a NATA-approved athletic trainer and quality training facilities available during the daytime hours. In the rare case of a medical emergency, the nurse will call you – it is very important that we have an emergency phone number for you. Otherwise you will not hear from us except for occasional administrative questions. **There is a 2-sided mandatory Health Form for you and your physician due May 1 and we MUST have a clear copy, front and back, of your insurance card. The 2-sided Health Form is posted on the web site.**

LAUNDRY SERVICE and PERSONAL HYGIENE

Camper's are required to shower daily and have dirty clothes prepared for washing in mesh bags (which we provide) to be washed by the laundry service every other day at no extra charge.

INSURANCE

McCallie Sports Camp supplies each camper with supplemental accidental medical insurance coverage. This coverage is designed to take care of remaining expenses if a family's primary insurance coverage does not cover all expenses. Your insurance is the primary coverage. Please let us know if you have no health insurance.

DORM/TEAM ASSIGNMENTS/ROOMMATES

The boys live and spend most of their time with their team. They sleep in air-conditioned school dorm rooms, their counselors are on the same floor. Due to highly organized age level activities and competition, camper's are assigned to roommates/teams/leagues and dorm floors according to age. There are 2 or 3 boys to a dorm room, 8 boys on a team, and 3-4 leagues, depending on the amount of boys in a certain age group. **All parents must update their online account with their roommate requests.** We try to honor all parent team and roommate requests. We notify parents via email of roommates/leagues/teams Friday before the camp session begins.

CAMP VISITS

To prevent homesickness, there is no scheduled visiting period during camp. However, please call if you would like to visit during camp.

USE OF PHONES/LETTERS/EMAIL/PHOTOS OF CAMP

To prevent homesickness, there are no pay phones located in the dorms. The commissioner of each age group league will have a phone in his room for use during emergencies or to relay important messages. Unless flying, please do not send cell phones to camp – all phones must be turned in at check-in. If you would like your son to write to you, we recommend that you send self-addressed stamped envelopes which will make it easier for him to write home. You may email your camper at any time; due to time constraints the camper's will not have time to email back. Email to: campers@mccallie.org. Put the boy's name and team in the Subject line. You may send care packages; our policy is no nuts or other allergy foods. We do try to post photos often during camp. The links to the camp photo page are on our web site: mccalliesportscamp.com

HOMESICKNESS

Homesickness is sometimes a part of the camp experience. Please talk to your son before coming to camp to explain that it can be a normal, natural process. Please do not tell him that he can call you and/or that you will pick him up if he is homesick. 99% of the boys who suffer from homesickness work through it quickly with our counselors and staff who are trained to deal with this issue; and the camper's become stronger and more self-assured young men because of the process.
